

# Versa Light<sup>®</sup> PATENTED

## The Best Technology in Truck Lighting

**Proper lighting can increase safety and minimize product and trailer damage- saving you money!** Versa Light's<sup>®</sup> advanced technology illuminates the entire trailer. Its versatile multi-position flexible tube resists overhead door impact. Versa Light's<sup>®</sup> computer fan cools the bulb for extended life.

**NEW!**  
**Versa Light<sup>®</sup> XL**  
**Superior Extended**  
**Bulb Life**  
**75% Longer**

Old technology truck lights are prone to damage from overhead doors and fork lifts.

Versa Lights<sup>®</sup> unique flexible tube design withstands sudden impact, and easily adjusts to any position.

**Versa Light provides twice the light of old technology dock lights. The difference between old technology dock lights and Versa Light<sup>®</sup> is like the difference between night and day.**
